Prayer:

Thank you, Lord, for the men and women of our armed forces. Protect them as they protect us. Defend them as they defend us. Encourage and strengthen their spirit, soul, and body in the execution of their duties and responsibilities. May they be mentally and physically strong when required to face the challenges of combat. Under gird them with Your spirit and might when they are called upon to endure the hardships of battle.

We pray that nothing would take them by surprise but that they would be aware of all potential aggression. Enable them to curtail hostile actions before they start.

Father, in the name of the Lord Jesus, I also lift up to you in prayer the families of our military. I pray that the gospel will extend to them, that they might know Him and the power of His resurrection

Father, I desire that these families might be a prayer force for our nation and our military.

May they know abundance and no lack. May they be well provided for and well taken care of.

Comfort them with Your Word, that they might have faith to see their sons, daughters, husbands, and wives return to them in wholeness and safety.

In Jesus Name,
Amen.
